| 1             | Report on a strategic plan that includes, but is not limited to, efforts to resolve certain prior Department of Consumer Affairs deficiencies in regulation of the profession         | Delete reporting requirement. Recommend deletion from Legislative Counsel List and from Section 18602.5 of the B&P Code as strategic plan was in place by mid-2010.   | This reporting requirement was completed in 2010. The Legislature may wish to request an update in the future.   |
| 2             | Report on the grant program set up<br>pursuant to the Construction Management<br>Education Sponsorship Act of 1991  | Delete reporting requirement. Recommend delete from Legislative Counsel List as the Board believes this information can be moved from current statute and reflected in its sunset provision. The required information can be provided in its sunset report. | DCARB recommends eliminating this report requirement and instead including a reporting requirement as part of the program's sunset provision. The Legislature may consider deleting the annual reporting requirement and including language in the program's sunset provision. This action would make the report information currently available on an annual basis, available only upon the need for a sunset report. |
| 3             | Report on impact of B&P Code Section<br>1636.5 on international dental candidates<br>who are admitted to, and take, the<br>restorative technique exam on and after<br>January 1, 1993 | Delete reporting requirement. Recommend delete from Legislative Counsel List (under Board of Dental Examiners) as this report has been completed and submitted to the recipient.  | This reporting requirement no longer exists in code. No Legislative action is necessary.   |

| 13            | Progress relating to promulgation of regulations that require a standardized, patient-centered, prescription drug label on all prescription medication dispensed to patients in California | Delete reporting requirement. Recommend delete from Section 4076.5(f)(1) as this was a one-time report that was completed and submitted to the recipient.                         | DCARB recommends deleting the report under section (f)(1). The one-time report requirement was completed. DCARB also recommends not deleting the reporting requirement in (f)(2) until after the due date or submission of report, on or before January 1, 2013.  |
| 14            |  | Delete reporting requirement. Recommend delete as the report is redundant as such information is already captured annually in the fund detail reports in the Governor's Budget.   |   |
| 15            |  | Delete reporting requirement. Recommend delete from Legislative Counsel List as Section 128557.6 of the Health and Safety Code no longer exists.                                  | DCARB cites Section 128557.6 of the HSC as the requirement citation. The correct citation that creates the required report for the Steven M. Thompson Physician Corps Loan Repayment Program and the Physician Volunteer Program is Section 128557.5 of the HSC. DCARB recommends deleting this report. This one-time report requirement was completed. |
